

Dear parent/s and carers,

Dromana Primary School is looking forward to another great year of teaching and learning and would like to advise you of Dromana Primary School's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard curriculum requirements, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible standards in learning, catering to the individual needs of our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time.

Dromana Primary School is committed to igniting curiosity and individual excellence in our children, with genuine care and support, to ensure they continually thrive. **Whilst the school receives funding from the Department of Education, this funding only supports the delivery of the essential curriculum and does not include the extra programs and resources that Dromana Primary is known for.**

Within our school, your support has allowed us to:

- Enrich our curriculum with a very extensive range of specialist subjects, including PE, the Arts (Performing and Visual), Japanese and Coding/Robotics
- Embed the Resilience Project program and lunchtime clubs such as the choir, bike club and origami club
- Invest in class sets of books and readers that reflect the current interests and passions of our students
- Provide hands-on Numeracy resources that allow classroom teachers to deliver the program to the highest standard
- Offer a strong wellbeing program, supported by a number of external health and welfare providers
- Maintain and develop school grounds to offer a range of options for students to explore
- Invest in ICT resources, including class sets of devices
- Offer First Aid for all students

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Andrew Haley
