## Acting Principal's Report - Ms Tess Higgins

What an eventful few weeks we have had leading up to the end of term and the year. Last Friday our grade six students returned from their Canberra Camp experience. From all accounts it was a fabulous trip. Thank you to Mr Simon Jones and all attending Dromana Staff who made the camp a possibility for our students. On Monday our grade two students went on a 'Big Day Out' to Manyung School Camp, I was fortunate to attend the excursion with the group, it was fabulous to see the students extending themselves and working outside of their comfort zone. On Tuesday and Wednesday evening our many students who learn an instrument performed at the instrumental concert. Thank you to Mr Matt Flynn for his organisation and hosting of the evenings. This week we have also seen our Bike Ed and step up programs continue.

With three weeks to go for the year we are finalising class structures and grade lists for 2020. Attached to the Compass post regarding this newsletter is our grade formation policy. Grade placement requests from parent requests for 2020 school year have now closed.

Our reporting and assessment for the 2020 has almost finished. Please note that our end of year academic reports will be available electronically only via Compass. If you require assistance using Compass or a printed copy of the report please contact the front office.

## Hat Donation!

*1 - New hat donations for Dromana Primary students.*

**Our uniform supplier Beleza has very kindly donated a hat to every student in the school.** The hats are a new variety, softer fabric and no chin toggle. The hats will be tested for size when students meet their new teacher on Tuesday 10th December. If a specific hat size is not available, we will exchange ready for the 2020 school year.

Once we have confirmed student hat sizes, the new hats will be named at school and given to students on the first day of term 1 2020.

On behalf of Dromana Primary school I'd like to thank Beleza for their very generous donation. We are very appreciative of Beleza's continued support of our Dromana Primary School community.

## Mobile phones in schools

From Term 1, 2020 there will be a new mobile phone policy for all government schools. The policy means phones brought to school must be switched off and stored securely during the school day. The aim of this policy is to provide:

- a safe environment to learn without inappropriate mobile phone use (including cyberbullying) or distractions
- greater opportunities for social interaction and physical activity during recess and lunchtimes.

The use of technology is important, but the risks and benefits from its use need to be managed.

A [summary of research articles](#) is available below.

### Emergencies

In emergencies, parents can contact their children through the school office.

### Exceptions

A small number of exceptions will be made. These exceptions will only be available if a mobile phone is essential for a student in:

- managing a health condition
- classroom learning.

Teachers can grant a classroom-based learning exception. Other exceptions are managed by the school principal. Your child's school can give you more information about exceptions.

### Family support

Talking about mobile phone use as a family is a great way to support safe and responsible technology use. [The eSafety Commissioner](#) has many resources for families:

- [7 Tips for Managing Screen Time](#) – tips and advice on how families can balance their time on and offline
- [Online Safety: A guide for parents and carers](#) – guide to how to tackle the big online issues
- [Screen Smart Parent Tour](#) – advice on social media, screen time, personal information, cyber-bullying, stranger contact and inappropriate content.

## Important Dates for early 2020

The following dates have been confirmed for the 2020 school year;

- School begins for all students **year 1 - 6** on **Thursday January 30th, 2020**
- The first day for our **prep** students is **Monday February 3rd, 2020.**
- Tuesday January 28th and Wednesday January 29th are student free days. The school will be open on these days, however they are student free days.
- For those families collecting their booklist in person from school, **Book Sale day is Tuesday January 21st, 10am - 2pm** in the Stadium.

## Assistant Principal's Report - Mr Nick Davern

### **Curriculum & Learning Across the School**

I had a rather reflective moment last week as I stood and looked out of the front office window whilst talking with Ms Redden (Administration Officer) and saw 90 Grade 5 students having a sensational time during their Bike Ed session. Also at the same time I noticed 'Norm - the bus' pull back in to the front of the school after dropping the morning's Science and Aboriginal studies group down to our Learning Centre at the beach. It also struck me at that very point in time that 80 other students were currently 8 hours away in Canberra experiencing a wonderful camp.

I am so proud of the opportunities and experiences our school is able to provide our students to support their learning and I thank parents and careers for keeping in touch via compass when providing permissions and payments during what is a busy period as we head closer to the end of the year.

### **Assessments and Semester Reports**

This week as well as next week are formal assessment periods for the school as we start to prepare for our students' Semester Two reports for 2019. As mentioned during the end of Semester One, reports this Semester will be digitally published through Compass, allowing parents and careers to access academic reports whenever required. Should you wish to have a printed copy of your child's Semester Two reports, please come in to the office and speak with Mrs Way or any of the office staff .

### **Changes Over Time (Foundation Unit of Study - Term 4)**

The Preps are moving into the future and this week the focus has been on questions such as; what might fashion look like in the future? How could fashion change in the future? And, what could clothes be made of in the future?

Preps have also been investigating 'minibeasts' in our DPS Veggie Garden and have loved looking closely at their various features. (As Pictured)

*2 - Preps investigating 'Minibeasts' in Science & Aboriginal Studies*

### **From Farm to Plate (Grade 1A, 1B, 1C & 1/2D Unit of Study - Term 4)**

Since our last newsletter, it is great to be able to report that all grades have now completed their excursion to Mossy Willow Farm due to beautiful sunny weather. Students are now all in the midst of investigating some of the more sustainable packaging solutions in regards to 'From Farm to Plate' and a special thank you to parents that have been bringing in boxes and containers to assist in students designing and redesigning some of the transport methods when it comes to our produce.

### **I Can Be Happy, Healthy and Safe (Grade 2 Unit of Study - Term 4)**

The Happy, Healthy and Safe unit of work had the perfect experience for our students on Monday as they all headed off to Camp Manyung for the day in Mt Eliza. Students completed challenging tasks and adventure activities as well as cooking sessions whilst learning the importance of looking out for themselves and others when in new environments.

Congratulations to the Grade 2 team and Miss Borschmann for organising such a wonderful experience for the students.

### **Strengthening through Success, Challenge and Failure - (Grade 3 Unit of Study - Term 4)**

Progressing on from recognising their own emotions throughout different activities and challenges, over the past couple of weeks students have now experienced what it has been like to be a 'coach' and to what it is like to be 'coached'. It has been outstanding to see the high levels of respect the students have shown each other whilst giving and receiving feedback and strategies regarding their own emotions.

*8 - 3D Shapes in Grade 3.*

#### **Design Technologies - Reduce Single Use (Grade 4 Unit of Study - Term 4)**

Special thanks to the 'Kings' (Greame and Cheryl King - Grandparents of Jayke 4B) for coming in to talk to all Grade 4 students this week about the processes and importance of composting. Students were shown the processes and how it works along with the sustainable benefits when it comes to designing systems that eliminate waste, especially when it comes to the end of life of a product.

Students are now moving in towards designing their own process or strategy to reduce single use waste items.

#### **Where are our 'happy' places in Dromana? (Grade 5 Unit of Study - Term 4)**

Students have now collected all the data about the stressors in finding the 'Happy Places' within the school. Using this information, students have now been asked to design their ideal or 'Happy School' with sections of the school explaining the social, environmental, intellectual, emotional and physical stressors that exist in their designs of spaces.

#### **We have a voice...how are we heard? (Grade 6 Unit of Study - Term 4)**

Congratulations to all students and staff on an outstanding Grade 6 Canberra Camp last week. The behaviour of the students whilst partaking in such a strong curriculum based experience was excellent with great feedback received from many of the locations experienced by the students.

The camp included visits and experiences at:

- The Royal Australian Mint
- CSIRO discovery centre
- Museum of Australian Democracy
- High Court of Australia
- National Electoral Education Centre
- Questacon interactive science centre
- National Arboretum
- National Capital Exhibition
- Parliament House
- Black Mountain Peninsula
- Australian Institute of Sport
- Embassy and Lodge district
- Australian War Memorial
- Mount Ainslie Lookout

Special mention to our School Captains **Will (6B)** and **Sophie (5/6D)** who had the honour of representing our school by laying the wreath on behalf of Dromana Primary School at the Australian War Memorial.

We would also like to acknowledge the Grade 6 Staff as well as supporting staff from Dromana Primary who took time away from their own lives and families in order to support such an experience for our students. A huge congratulations to Mr Jones on the organisation and coordination of the Grade 6 Canberra Camp.

### **Bike Riding in Term 4 & Ride-2-School**

Bike Ed has been running across the school for the Grade 5 and 6 students over the past 2 weeks with all students not only improving their bike skills and knowledge, students have also been taught the importance of bike and road safety.

This also means that our Wednesday Ride-2-School sessions as well as lunchtime bike ride sessions have also been very popular and fun with lots of people attending.

A further reminder that our bike shed is locked from 9am - 3:30pm each day and any bikes left in the shed after 3:30pm are the responsibility of the owners. For students who are wishing to store their bike at school overnight, arrangements are to be made with classroom teachers or students / parents are able to come speak to me about how we could accommodate safe storage.

Ride-2-School is on again this week opposite the BP on the border of Safety Beach and Dromana at 8am for a 8:10am departure. Keep up the great riding!

## **Book Fair**

Thanks to all parents, carers and students who visited our Book Fair this week which was held up in the Stadium Foyer out the front of our Reading Centre. There were plenty of keen shoppers before and after school making crucial decisions regarding which title to purchase and it was great to see students engaged with the books on offer.

Thanks to our English committee in assisting in the organisation of the Book Fair and setting up the displays each morning and afternoon with a percentage of sales being returned to the school.

### **School Captain Speeches 2020**

On Tuesday, Round 2 of the 2020 School Captain Process was completed with candidates presenting their speeches to all Grade 3, Grade 4, Grade 5 and Grade 6 students in the hall. The students did a fantastic job presenting their speeches to a large audience who were then asked to vote for their preferred candidate.

This week, the votes are being tallied up with the top 6 boys and top 6 girls progressing to the final stage of the process which is an interview with Miss Higgins, Mrs Wardlaw, Mr Davern and the current 2019 School Captains.

Congratulations to candidates and students on valuing the process and acknowledging the efforts from all on the day.

*18 - 2020 School Captain Speeches*

### **2020 Booklists**

The 2020 Booklists have been sent home to all parents and carers outlining the stationery requirements, subscription and activities required for the academic year.

Please contact the office if you have any questions regarding the 2020 booklist for your child and if you would like any further clarification around any of the items listed.

## Acting Assistant Principal's Report - Mrs Sascha Wardlaw

## Finding the Positives

Often at school we are working with children to find the positives in a situation. I'm sure you may have had days when your child comes home and in their tired, emotional state they tell you about a "sad" moment in their day and don't tell you about all the positives. A parent, and friend, dropped in a book for me to have a look at and I'd like to take the opportunity to share some with you.

We can always find things to be grateful for, it's about our perspective and how we see things! Think about something which happened recently that did not go the way you wanted or planned. Now think of two positive things that came out of this situation. It's not always easy but did you learn anything? Did something else happen as a result of this, which was positive?

As a parent, it's never easy to hear your child express negative thoughts or to see them with feelings like self-doubt, sadness, or anger. Unfortunately, science says it's natural for people to dwell more on negative thoughts than on positive ones, and this can be even more true for children. This attitude can shape how a child sees themselves and the world around them. Please know there are no "bad" emotions. All thoughts and feelings are valid. Both positive and negative thoughts and emotions play a valuable role in how we process the world around us. For example, sadness can help us process difficult times, and we would have no moral compass if we never felt shame or guilt. On the other side, trying to be happy all the time alienates us from our emotions, which simply isn't healthy either.

There's plenty we can do to help our children develop a positive attitude about themselves and their world. We can teach our children to accept negative emotions and process them in a healthy way. We can encourage positive thinking and positive affirmations. Research has shown positive thinking is important because it broadens your sense of possibility and opens your mind, allowing us to build new skills. It also makes children more resilient. By 'practicing' skills that foster positivity, people can learn to be more positive. Maintaining a positive attitude is a difficult task for adults, and it's even more challenging for children. But our brains can be trained to be more positive as we engage in positive activities, and you can promote positivity with your child. Don't pressure your child to get rid of negative thoughts altogether, but help them embrace positivity using a variety of activities:

- Give your child opportunities to volunteer and help others.
- Teach your child to appreciate small moments of beauty.
- Help your child set and achieve goals.
- Share positive experiences with your child, and model a positive attitude.
- Encourage your child to develop strengths and try new activities.
- Let your child come up with their own positive affirmations to recite.

As your child engages in these activities, they'll train their brain to be more positive and respond to emotions in a healthier manner. It will boost their confidence, resilience, and overall happiness, and they'll gain a more positive outlook on the world around them.

A useful video we have used in some classes to promote gratitude is from The Resilience Project – DIS Story by Hugh van Cuylenburg. <https://www.youtube.com/watch?v=vH2ehTuLbwE>

I have also included a couple of photos from our Friday afternoon Step Up program. There were great activities going on around the school for the children to enjoy their 2020 year level.

## Congratulations to all Year 6 students.

Hats off to you, Graduates! On behalf of your Outside School Hours Care Team, we want to give a huge congratulations to all the Year 6 students who will be graduating at the end of this term.

You did it!

Being a Year 6 student in Before and After School Care is very special. We want to say a big thank you for showing great leadership to the younger students in the Camp Australia family, we are proud to have been part of your primary years and watched you learn skills that you will have with you through life.

We appreciate the time and trust you have shared with us. We will treasure every memory and lessons we learned and shared together.

Whether you were a Camp Australia member or not, we wish all the Year 6 students all the best for their future and we are looking forward to welcoming our new Camp Australia family members in the new year!

## ATTENTION ALL MOTORISTS

## ATTENTION ALL MOTORISTS

A friendly reminder.

When approaching the school crossing and the traffic ahead of you has stopped, **PLEASE STOP** at the stop line where the flag is. If you cannot get right through the crossing past the walk lines, do not proceed until everybody is off the crossing.

Thank you

Brian, Christine, Margaret

## Old Wooden Rulers

If anyone has any old wooden rulers they don't need for next year, one of our school families would like to collect them to use as pottery tools. Please drop them off at the school office.

### **EASTBOURNE VACATION CARE PROGRAM** **Monday 23<sup>rd</sup> December to 24<sup>th</sup> January 2020**

Eastbourne Primary School will conduct a Vacation Care Service during the next school holidays.

If you would like to enrol your children in the Holiday Program – please take note of the following:-

1. **Cost is \$55.00 per child per day. With the introduction of the new Child Care Subsidy it is vital that all families have registered with Centrelink and have a copy of your new approved hours and percentage. If your approved hours are more than the number of hours you require you will be charged the full amount of \$55.00 for any additional hours. If you are unsure as to your eligibility or you have not yet registered your details please contact Centrelink direct on 136 150.**
2. Eastbourne Primary School has an EFTPOS facility, phone payments or direct payment into the school's bank account for any parents who wish to use this method of payment.
3. **Activities include Mornington Steam Train, Hoyts Cinema and Ballam Park, Moonlit Sanctuary and lots more.**

Forms are available from the schools website [eastbourne.vic.edu.au](http://eastbourne.vic.edu.au) or collecting them from the school office.

Thankyou
