Dear parent/s and carers,

Dromana Primary School is looking forward to another great year of teaching and learning and we would like to advise you of Dromana Primary School's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can provide the best possible standards in learning, catering to the individual needs of each of our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has allowed us to facilitate the development of well-rounded individuals.

Your support has allowed us to:

- Enrich our curriculum with a very extensive range of specialist subjects, including PE, the Arts (Performing and Visual), Japanese and Coding/Robotics
- Invest in class sets of books and readers that reflect the current interests and passions of our students
- Provide hands-on Numeracy resources that allow classroom teachers to deliver the program to the highest standard
- Implement School Wide Positive Behaviour programs and lunchtime clubs such as the choir, bike club and origami club
- Offer a strong wellbeing program, supported by a number of external health and welfare providers
- Engage a school Chaplain to provide counselling to students where needed
- Maintain and develop school grounds to offer a range of options for students to explore
- Invest in ICT resources, including class sets of devices
- Offer First Aid for all students

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Andrew Haley
